RUNYON CANYON **Filming Guidelines**

Welcome to the City of Los Angeles, Department of Recreation and Parks. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

In order to maintain and preserve Runyon Canyon as an attractive environment for both park patrons and the film industry, we ask that you follow the guidelines below:

- **CAN NOT PARK ANY VEHICLES IN THE PARK AREA.**
- **OK TO UNLOAD/LOAD AT THE TRAIL HEAD.**
- **CAN NOT OBSTRUCT FOOT TRAFFIC.**
- **MUST NOT BLOCK ROAD OR INTERFERE WITH CONSTRUCTION.**
- **CAN NOT INTERFERE WITH PARK PARTONS, CAN NOT HAVE PUBLIC MOVE, ONLY WHILE THE CAMERA IS ROLLING.**
- Companies are requested to inform all film crew members of the written guidelines for Runyon Canyon.
- Vehicles may not block the asphalt road at any time.
- Vehicles are not allowed on dirt trails.
- Driving shots more that 15 m.p.h. or those causing vehicles to skid off the road or hit any tree, are not permitted.
- Night filming and using Musco lights require special approval.
- The company's activities must give the "right of way" to excessive traffic of park patrons.
- Cutting any chaparral vegetation and filming in the area overgrown by the chaparral is not permitted.
- Bolting or nailing into the trees is not permitted.
- Staking allowed only at monitors discretion.

- Bringing soil, mulches, leaves and other material used for footing or blowing effects is not permitted unless approved by the Park Maintenance Supervisor.

The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park
- patrons, other City employees and a communication link between Permittee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permittee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
